3. BACKGROUND AND LEGISLATION

Background

The Department of Education and Training (DET) provides funding for each child who is enrolled and attending a funded kindergarten program in the year before school. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible children to attend a funded kindergarten program free of charge in the year before school.

DET also funds Early Start Kindergarten for three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in *The Kindergarten Funding Guide* (refer to *Sources*).

DET requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2) (n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. *The Kindergarten Funding Guide* (refer to *Sources*) outlines the criteria to be covered in the policy.

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *Charter of Human Rights and Responsibilities 2006* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulation 168(2)(n)
- *Equal Opportunity Act 1995* (Vic)
- *National Quality Standard*, including Quality Area 7: Governance and Leadership

Fee information for families

Tarralla Kindergarten 2020

1. General information

The Department of Education and Training (DET) provides funding for each child enrolled and attending kindergarten in the year before school as a contribution toward the costs of providing the program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a kindergarten program free of charge in the year before school.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Tarralla Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of *The Kindergarten Funding Guide* (Department of Education and Training) available from the DET website: www.education.vic.gov.au

Once fees are set for the year, they will only be reviewed in extraordinary circumstances, for example, if enrolments drop and the service is at risk of not being able to meet its expenses.

3. Other charges

Other charges levied by Tarralla Kindergarten are included on the Statement of Fees and Charges. These include:

- **Enrolment fee:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The Enrolment Fee is additional to payment of term fees. The kindergarten allocates \$50 of this fee to fundraising and \$50 to maintenance costs. Families eligible for the Kindergarten Fee Subsidy (see below) are not required to pay the Enrolment Fee provided:
 - The family produces eligible documentation that does not expire during the attendance year with the return of acceptance form. A clear photocopy of both sides of the eligible concession card must be provided. The original of the eligible concession card must be presented and sighted
- **Maintenance:** Tarralla Kindergarten allocates the remaining half of the Enrolment Fee to maintenance to ensure that the kindergarten premises and grounds are kept to a well-maintained level. This will cover any repairs and maintenance to the premises and regular maintenance and upkeep of the grounds (e.g. mowing of lawns, garden maintenance, play equipment maintenance, etc.)
- **Late collection charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management.

4. Statement of fees and charges

A statement of fees and charges for four-year-old and three-year-old kindergarten will be provided to families on enrolment.

5. Fundraising

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

Tarralla Kindergarten allocates half of the Enrolment Fee to fundraising in order to minimise the number of major fundraising activities undertaken by the kindergarten. As every family (apart from those families who receive the kindergarten fee subsidy or Early Start Kindergarten grant) pays the Enrolment Fee, all other activities are strictly voluntary. The Committee of Management will ensure that fundraising income is kept separate from the centre's operating budget, and that families will be informed about expenditure of fundraising income

6. Subsidies

6.1 Kindergarten Fee Subsidy (four-year-old programs only)

The Kindergarten Fee Subsidy is provided by DET and enables eligible children to attend 15 hours of kindergarten free of charge. Eligibility conditions may change from time-to-time and must be checked in the most recent edition of the *Kindergarten Funding Guide* (refer to *Sources*).

Families may be eligible for the Kindergarten Fee Subsidy in the year before school if their child:

- is Aboriginal and/or Torres Strait Islander; or
- holds, or has a parent/guardian who holds a Humanitarian or refugee Visa; or
- is a multiple birth child (triplets or more); or
- holds, or has a parent who holds a Commonwealth Health Care Card, Pensioner Concession Card or Veteran's Affairs Card.

Where a child is identified by a parent, carer or legal guardian as an Aboriginal and/or Torres Strait Islander, no verification is required.

In all other instances, supporting documentation should be sighted by the service on acceptance of a place or on commencement in the program, however where there are delays, such as in obtaining health care cards for children in out-of-home care, the delay should not provide a barrier to the child accessing the Kindergarten Fee Subsidy. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid. Contact the service for further information.

6.2 Early Start Kindergarten fee subsidy

Three-year-old Aboriginal and Torres Strait Islander children and children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free of charge. The service receives funding for children who meet the eligibility criteria. Contact the service for further information.

7. Payment of fees

The Committee of Management will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service.

Parents/guardians experiencing difficulty in paying fees are requested to contact the relevant Fees Officer to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

8. Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date, and will include information on a range of support options available for the family.
- Where payment is still not received, families will be contacted by phone to discuss the range of support options available and establish a payment plan. If a payment plan is agreed on, both parties will sign the agreed plan and a copy will be given to the parents/guardians and placed on file.
- Continued non-payment will escalate the matter to the Kindergarten President who will contact the family by phone.
- Further non-payment will result in a final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- Where a family has outstanding fees owing to the centre, the committee reserves the right to not allow further placements in programs until all outstanding monies are paid.

9. Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and enrolment fee, where appropriate) will be provided.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

If a family chooses to vacate the kindergarten place during term then term fees are only refundable on a pro-rata basis **if the vacancy is filled immediately upon departure**. On commencement of Term 1, no partial refunds for term fees will be available. If the child leaves before the end of the term, no pro-rata refund will be available for that term, except when the child's place is able to be filled immediately after the child has left the centre. Written notice of departure is required prior to the invoicing period for the next term. The Committee of Management may consider a partial refund in exceptional circumstances. Applications for a refund must be in writing and must clearly outline the reasons why the child ceased to attend the centre. Any refund will be at the discretion of the Committee of Management and will be assessed on a case-by-case basis. An administration fee may be applied.

10. Children turning three during the year of enrolment

Full payment from the first day of Term 1 is required if a place is to be reserved for a child in the three-year-old kindergarten program. Children can only commence the program when they have turned three.

11. Support services

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the kindergarten service provider or alternatively families may contact the local council.

12. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
