Chief Warden/Early Childhood Commander

Pre-emergency

- Maintain current contact details of IMT members.
- Ensure 'Children/educators/staff with additional needs' list and 'Staff trained in first aid' list are up to date.
- Conduct regular exercises/drills.
- Ensure our emergency response and recovery procedures are kept up to date.
- Ensure staff on the IMT are aware of their responsibilities.

During emergency

- Attend the emergency control point.
- Ascertain the nature and scope of the emergency.
- Ensure that the emergency services have been notified.
- Ensure the appropriate response has been actioned.
- Convene our IMT as required.
- Initiate evacuation of affected areas/lock-down/lock-out/shelter-in-place as required.
- Brief the incoming emergency services and respond to their requests.

Post-emergency

- When the incident is rendered safe or the emergency services return control, notify the IMT members to have staff and children return to normal operations.
- Organise debrief with the IMT and, where appropriate, with any attending emergency service.
- Ensure recovery activities are considered and implemented as required.
- Complete the Post Emergency Record.
- Early childhood services are reminded that they must report serious incidents to the relevant DET QARD Area Team in accordance with relevant regulatory requirements. Service agreements also require approved providers or licensees to notify DET in the event of a serious incident.
 - Education and care services operating under the National Quality Framework (NQF) refer to the fact sheet *Serious incidents and complaints* available at: www.education.vic.gov.au/childhood/providers/regulation/Pages/nqfactsheets.aspx
 - Children's services operating under the *Children's Services Act 1996* (Children's Services Act) refer to the practice note *Serious incidents* available at: www.education.vic.gov.au/childhood/providers/regulation/Pages/vcspracnotes.aspx

Planning

Pre-emergency

- Assist the Chief Warden/Early Childhood Commander.
- Identify resources required.
- Participate in emergency exercises/drills.

During emergency

- Attend the emergency control point.
- Ascertain the nature and scope of the emergency.
- Report any changes in the situation to the Chief Warden/Early Childhood Commander.
- Act as directed by the Chief Warden/Early Childhood Commander.
- Plan for contingencies.

Post-emergency

- Collect and evaluate information relating to the emergency.
- Identify recovery needs and develop a recovery plan (if required).

Operations (Area Warden)

Pre- emergency

- Regularly check and report on deficiencies of emergency equipment and kits.
- Coordinate safety practices (for example, clear egress paths, access to first attack equipment such as fire extinguishers and disposal of rubbish) by Wardens throughout their areas.
- Participate in emergency exercises/drills.

During emergency

- Attend the emergency control point.
- Communicate with the Chief Warden/Early Childhood Commander by whatever means available and act on instructions.
- Implement the emergency response procedure relevant to the floor or area and ensure that the Chief Warden/Early Childhood Commander is notified.
- Direct the Logistics Officer/Wardens to check the floor or area for any abnormal situation.
- Commence evacuation if the circumstances on the floor or area warrant this.
- Control the movement of people.
- Co-opt persons as required to assist the Logistics Officer (Warden/s) during an emergency.
- Confirm that the Logistics Officer's/Warden's activities have been completed and report this to the Chief Warden/Early Childhood Commander or a senior officer of the attending emergency services if the Chief Warden/Early Childhood Commander is not contactable.

Post emergency

- Compile report of the actions taken during the emergency for the debrief.

Communications

Pre- emergency

- Assist the Chief Warden/Early Childhood Commander.
- Attend training in the use of the service's communication system as appropriate.
- Maintain records and logbooks and make them available for emergency response.
- Ensure emergency and parent contact details are up to date.
- Participate in emergency exercises/drills.

During emergency

- Attend the emergency control point.
- Ascertain the nature and location of the emergency. Maintain up to date information.
- Confirm that emergency services have been notified.
- Notify appropriate IMT members.
- At the direction of the Chief Warden/Early Childhood Commander provide instruction and information to staff, children and parents as required.
- At the direction of the Chief Warden/Education Commander provide instruction and information to the staff member responsible for bulk messaging as required.
- Keep a log of events that occurred during the emergency.
- Act as directed by the Chief Warden/Early Childhood Commander.

Post- emergency

- Contact parents as required.
- Collate logs of events completed by all IMT members during the emergency for the debrief and ensure they are secured for future reference.

Logistics (Warden)

Pre- emergency

- Ensure staff are aware of the emergency response procedures.
- Carry out safety practices (e.g. clear egress paths, access to first attack equipment, for example, fire extinguishers and disposal of rubbish).
- Participate in emergency exercises/drills.

During emergency

Persons selected to perform as Logistics Officer/Warden will carry out activities as set out in the emergency response procedures and as directed by the Operations Officer/Area Warden.

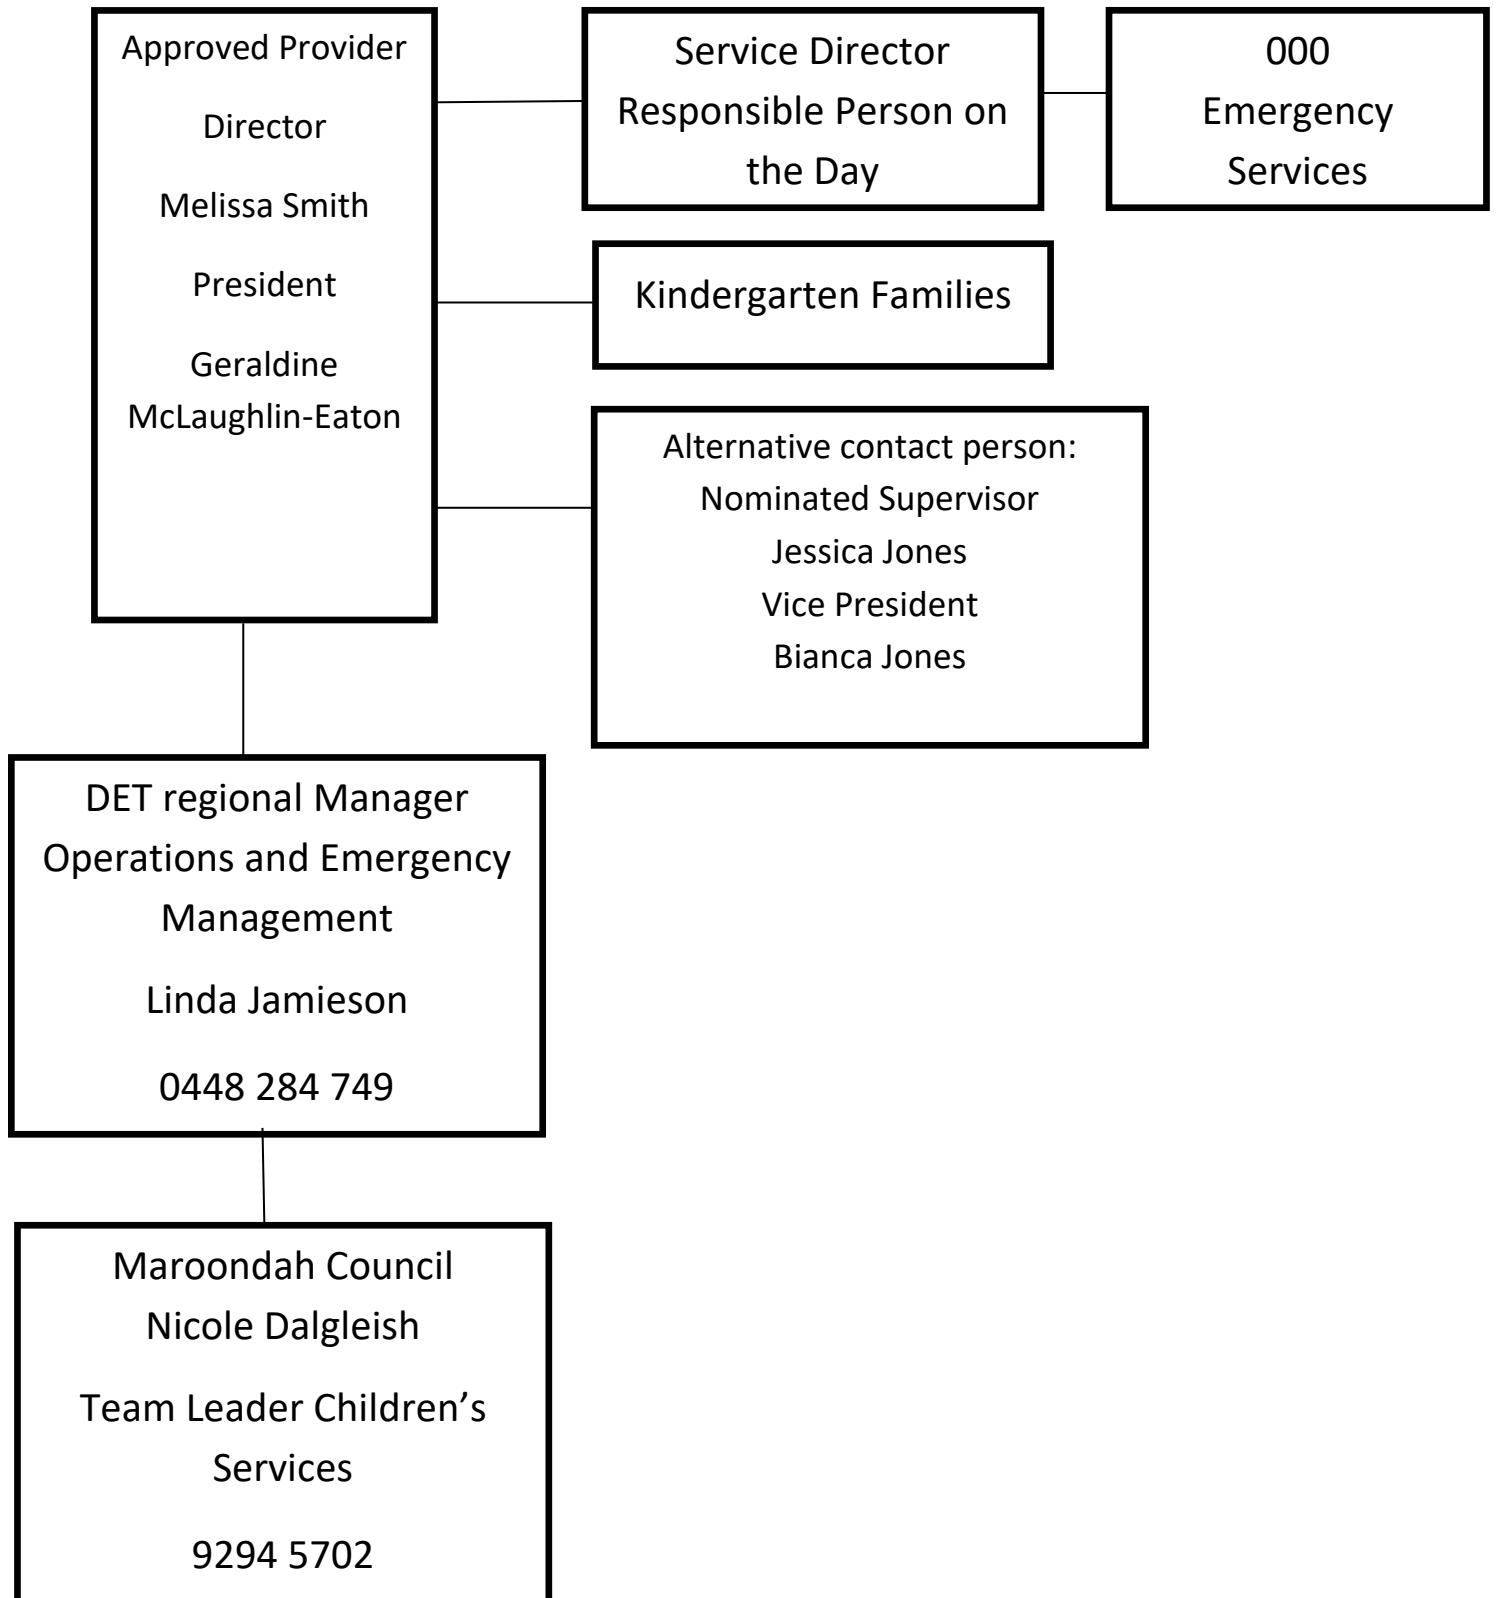

Activities may include the following:

- Attend the emergency control point.
- Operate the communication system in place.
- Check that any fire doors and smoke doors are properly closed.
- Close or open other doors in accordance with the emergency response procedures.
- Search the floor or area to ensure all people have evacuated. This function is of greater importance than a later physical count of those evacuated.
- Ensure orderly flow of people into protected area.
- Assist occupants with disabilities.
- Act as lead of groups moving to nominated assembly areas.
- Report status of required activities to the Operations Officer/ Area Warden on their completion.
- Act as directed by the Chief Warden/Early Childhood Commander.

Post- emergency

- Compile report of the actions taken during the emergency for the debrief.

Emergency response procedures

10.1 On-site evacuation/relocation procedure

When it is unsafe for children, educators, staff and visitors to remain inside the facility, the Chief Warden/Early Childhood Commander on-site will take charge and activate the IMT if necessary.

- **Call 000** and inform emergency services of the nature of the emergency.
- Determine which of your facility's pre-identified on-site evacuation points is most appropriate to use.
- Assemble children, educators, staff and visitors at your nominated on-site Rear Playground Gate.
- Take the child attendance list, educator and staff attendance list, your Emergency Kit/First Aid Kit and a copy of this EMP.
- Once at the assembly point, check all children, educators, staff and visitors are accounted for.
- Ensure communications with emergency services is maintained.
- Wait for emergency services to arrive or provide further information.
- Confirm with emergency service personnel that it is safe to return to normal operations.
- Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative if required.
- Maintain a record of actions/decisions undertaken and times.
- Contact parents as required or as per service policy.

Actions after on-site evacuation/relocation procedure

- Ensure any children, educators, staff or visitors with medical or other needs are supported.
- Determine whether to activate your parent reunification process.
- Determine if there is any specific information educators, staff, children and visitors need to know (e.g. parent reunification process or areas of the facility to avoid).
- Print and issue pre-prepared parent letters as appropriate.
- Undertake operational debrief with educators, staff and Incident Management Team to identify any on-site evacuation and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 4 of the *Guide to Developing Your Emergency Management Plan*).
- Education and care services and children's services are reminded that they must report serious incidents to the relevant DET QARD Area Team in accordance with relevant regulatory requirements. This can be submitted on-line via the NQA IT portal. Service agreements also require approved providers or licensees to notify DET in the event of a serious incident.
 - Education and care services operating under the NQF refer to the fact sheet *Serious incidents and complaints* available at: www.education.vic.gov.au/childhood/providers/regulation/Pages/nqffactsheets.aspx

10.2 Off-site evacuation procedure

If it is unsafe for children, educators, staff and visitors to remain on the facility's grounds the Chief Warden/Early Childhood Commander on-site will take charge and activate the IMT if necessary.

- **Call 000** for emergency services and seek and follow advice.
- Determine which off-site assembly point you will evacuate children, educators, staff and visitors to.
- Assemble children, educators, staff and visitors at your nominated on-site Rear Playground Gate and proceed to centre of the adjacent oval in Gracedale Park.

- Take your emergency kit/first aid kit (including your children, educator and staff attendance lists and a copy of this EMP).
- Once at assembly point, check all children, educators, staff and visitors are accounted for.
- Ensure communications with emergency services is maintained.
- Wait for emergency services to arrive or provide further information.
- Confirm with emergency service personnel that it is safe to return to normal operations.
- Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative if required.
- Maintain a record of actions/decisions undertaken and times.
- Contact parents as required or as per service policy.

Actions after off-site evacuation procedure

- Ensure any children, staff or visitors with medical or other needs are supported.
- Determine whether to activate your parent reunification process.
- Determine if there is any specific information staff, children and visitors need to know (e.g. parent reunification process or areas of the facility to avoid).
- Print and issue pre-prepared parent letters as appropriate.
- Undertake operational debrief with staff and IMT to identify any off-site and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 4 of the *Guide to Developing Your Emergency Management Plan*).
- Education and care services and children's services are reminded that they must report serious incidents to the relevant DET QARD Area Team in accordance with relevant regulatory requirements. This can be submitted on-line via the NQA IT portal. Service agreements also require approved providers or licensees to notify DET in the event of a serious incident.

10.3 Lock-down procedure

When an external and immediate danger is identified and it is determined that the children should be kept securely inside the building the Chief Warden/Early Childhood Commander on-site will take charge and activate the IMT if necessary.

- **Call 000** for emergency services and seek and follow advice.
- Initiate the lock-down and provide instructions to educators and staff, for example, close internal doors and windows, remain in classroom, sit below window level, or move into corridors.
- Check that all external doors (and windows if appropriate) are locked.
- If available, allocate educators/staff to be posted at locked doors to allow children, educators, staff and visitors to enter if locked out.
- Divert parents and returning groups from the facility if required.
- Ensure a telephone line is kept free.

- Keep public address system free.
- Keep main entrance as the only entry point. It must be constantly monitored and no unauthorised people allowed access.
- As appropriate, ascertain that all children, educators, staff and visitors are accounted for.
- If it is safe to do so, have an educator/staff member wait at the main entry to the facility to guide emergency services personnel.
- As appropriate, confirm with emergency services personnel that it is safe to return to normal operations.
- Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative if required.
- Maintain a record of actions/decisions undertaken and times.
- Contact parents as required or as per service policy.

Actions after lock-down procedure

- Ensure any children, educators, staff or visitors with medical or other needs are supported.
- Determine whether to activate your parent reunification process.
- Determine if there is any specific information educators, staff, children and visitors need to know (e.g. parent reunification process or areas of the facility to avoid).
- Print and issue pre-prepared parent letters as appropriate.
- Undertake operational debrief with educators and staff and IMT to identify any lock-down and procedural changes that may be required.
- Complete your Post Emergency Record form (refer to Appendix 4 of the *Guide to Developing Your Emergency Management Plan*).
- Education and care services and children's services are reminded that they must report serious incidents to the relevant DET QARD Area Team in accordance with relevant regulatory requirements. This can be submitted on-line via the NQA IT portal. Service agreements also require approved providers or licensees to notify DET in the event of a serious incident.

 - Children's services operating under the Children's Services Act refer to the practice note *Serious incidents* available at: www.education.vic.gov.au/childhood/providers/regulation/Pages/vcspracnotes.aspx

10.4 Lock-out procedure

When an internal immediate danger is identified and it is determined that children should be excluded from buildings for their safety the Chief Warden/Early Childhood Commander on-site will take charge and activate the IMT if necessary.

- **Call 000** for emergency services and seek and follow advice.
- Announce lock-out with instructions about what is required. Instructions may include nominating staff to:
 - lock doors to prevent entry
 - check the premises for anyone left inside
 - obtain Emergency Kit
- Determine which of your facility's pre-identified on-site evacuation point/s is most appropriate to use.
- Assemble children, educators, staff and visitors at your nominated on-site Toilet Area of each playroom.

- Check that children, educators, staff and visitors are all accounted for.
- Where appropriate, confirm with emergency services personnel that it is safe to return to normal operations.
- Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative if required.
- Maintain a record of actions/decisions undertaken and times.
- Contact parents as required or as per service policy.

Actions after lock-out procedure

- Ensure any children, educators, staff or visitors with medical or other needs are supported.
- Determine whether to activate your parent reunification process.

10.5 Shelter-in-place procedure

When an incident occurs outside the early childhood service and emergency services or the Chief Warden/Early Childhood Commander determines the safest course of action is to keep children, educators and staff inside a designated building in the facility (as evacuation might reasonably expose people to a greater level of danger), the Chief Warden/Early Childhood Commander on-site will take charge and activate the IMT if necessary.

- **Call 000** for emergency services and seek and follow advice.
- Move all children, educators, staff and visitors to your pre-determined shelter-in-place location Toilet Area of each playrooms (refer to Guide).
- Take your emergency kit/first aid kit (including your children and educator and staff attendance lists and a copy of this EMP).
- Check that all children, educators, staff and visitors are accounted for.
- Ensure communications with emergency services is maintained. Wait for emergency services to arrive or provide further information.
- Where appropriate, confirm with emergency services personnel that it is safe to return to
- Maintain a record of actions/decisions undertaken and times.

- Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative if required.
- Contact parents as required or as per service policy.

Actions after shelter-in-place procedure

- Ensure any children, educators, staff or visitors with medical or other needs are supported.
- Determine whether to activate your parent reunification process.
- Determine if there is any specific information educators, staff, children and visitors need to know (e.g. parent reunification process or areas of the facility to avoid).

- Call **000** for emergency services and seek and follow advice.
- Report the emergency immediately to the Chief Warden/Early Childhood Commander who will convene your IMT if necessary.
- Turn off gas supply if possible.
- If the gas leak is on-site, notify your gas provider.
- Determine which of your facility's pre-identified on-site evacuation points is most appropriate to use.
- If safe to do so, evacuate educators, staff, children, visitors and contractors to Rear Playground Gate, determine if Off-site evacuation is required.
- Check children, educators, staff, visitors and contractors are accounted for.
- Seek advice from your Approved Provider/Licensee or Person with Management or Control/Licensee Representative or if required.
- Await 'all clear' advice from emergency services or further advice before resuming normal service activities.
- Contact parents as required or as per service policy.
- Education and care services and children's services are reminded that they must report serious incidents to the relevant DET QARD Area Team in accordance with relevant regulatory requirements. This can be submitted on-line via the NQA IT portal. Service agreements also require approved providers or licensees to notify DET in the event of a serious incident.
 - Education and care services operating under the NQF refer to the fact sheet *Serious incidents and complaints* available at: www.education.vic.gov.au/childhood/providers/regulation/Pages/nqffactsheets.aspx

11.5 Bomb/substance threat

If a suspicious object is found or the threat identifies the location of a bomb

Immediate response

- Immediately clear and cordon off the area in the vicinity of the object.
- Call **000** for police and seek and follow advice.
- Report the threat to the Chief Warden/Early Childhood Commander.
- Do not approach, touch, tilt or tamper with the object.

Evacuation

- Evacuate the facility and:
 - Ensure children, educators and staff are not directed past the object
 - Alert any other services co-located at the facility site
 - Check that all children, educators, staff and visitors are accounted for
 - Restrict all access to the site and ensure there are no barriers inhibiting access by police or emergency services

Communication

- Provide police with details of the situation and actions you have taken and intend to take. Follow any advice provided by police.
- Contact parents when evacuation is complete and it is safe to do so.
- Notify your approved provider/licensee or licensee representative and seek advice if necessary.
- Await 'all clear' advice from police before returning to buildings to resume normal activities.
- Education and care services and children's services are reminded that they must report serious incidents to the relevant DET QARD Area Team in accordance with the relevant regulatory requirements. This can be submitted on-line via the NQAIT portal. Service agreements also require approved providers or licensees to notify DET in the event of a serious incident.
 - Education and care services operating under the NQF, refer to the fact sheet *Serious incidents and complaints* available at:

If a bomb/substance threat is received by telephone

- **DO NOT HANG UP**
- Keep the person talking for as long as possible and obtain as much information as possible.
- Without alerting the caller, signal a co-worker to:
 - call 000 for emergency services on a separate phone
 - notify the Chief Warden/Early Childhood Commander.

- Fill out the bomb threat checklist provided on the next page to record the following details while you are on the phone to the caller. The checklist should be located with staff who normally answer in-coming phone calls. Listen carefully for a full description and take note of:
 - gender of caller
 - age of caller
 - accents or speech impediments
 - background noises
 - words/voices of people in the background (gender, age, accents, speech impediments)
 - key phrases used
 - whether the threat is automated/robotic/taped/recorded

- Ask the caller:
 - where exactly is the bomb/substance located?
 - what time will the bomb explode/the substance be released?
 - what will make the bomb explode/how will the substance be released?
 - what does the bomb look like?
 - what kind of device/substance is it?
 - who put the bomb/substance there? Why was it put there?
 - what kind of substance is it (gas, powder, liquid)? How much is there?
 - where are you? Where do you live?
 - what is your name? What are your contact details?

- Once the call is finished:
 - Immediately:
 - inform the Chief Warden/Early Childhood Commander if this has not yet been done
 - call 000 to report the threat to police if this has not yet been done – use a different telephone line or mobile phone
 - clear and cordon off the area if the caller identified the location of the object. Do not approach, touch, tilt or tamper with the object.
 - Implement evacuation and communication procedures as indicated in section 11.5.1 above
 - Ensure all of the caller information has been written down and provided to police on arrival
 - Notify your approved provider/licensee or licensee representative

If a bomb/substance threat is received by mail

- Place the letter in a clear bag or sleeve and store in a secure place
- Avoid any further handling of the letter or envelope
- Call 000 for police and seek and follow advice
- Notify the Chief Warden/Early Childhood Commander
- If the letter identifies the location of a device, immediately clear and cordon off the nominated area. Do not approach, touch, tilt or tamper with the object.
- Implement evacuation and communication procedures as indicated in the *Evacuation* section above.

If a bomb/substance threat is received electronically via email or website

- **DO NOT DELETE THE MESSAGE**
- Call 000 for police and seek and follow advice
- Notify the Chief Warden/Early Childhood Commander

- If the email identifies the location of a device, immediately clear and cordon off the area. Do not approach, touch, tilt or tamper with the object.
- Implement evacuation and communication procedures as indicated in the *Evacuation* section above.

If you are at the immediate site of an explosion

- Direct educators and staff to shelter children under sturdy tables or desks if objects are falling around you.
- Implement evacuation and communication procedures as indicated in the *Evacuation* section above. Do not retrieve personal belongings or make phone calls when evacuating.
- Help others to leave the area. Use stairs instead of elevators.
- Be aware of weakened floors and stairways and watch for falling debris.
- Once out of the affected building:
 - Move children away from windows and glass doors or other potentially hazardous areas
 - Use caution to avoid debris that could be hot or sharp
 - Call 000 for emergency services and seek and follow advice
 - Be aware of any potential secondary explosions
 - Limit use of phones as communications systems may become congested.
